## Applying for Stalls

Mirfield Show is a highly popular event in the area, and we have had attendances around 10,000 in most years. This means that stall space is always oversubscribed. Unfortunately many stall applicants will be disappointed, but ALL applicants will receive an email about the Committee's decision on your application. Here is what the Committee looks for – It gives priority to local participants (but accepts others) and seeks to provide a large range of entertaining stalls and with unusual items sold at family-friendly prices. It also seeks to ROTATE stall holding so that applicants get a fresh chance every year and the same stalls might not appear each year. Remember, if you leave out any info, you will get a lower mark ! The Deadline for Applications is **WED 23 FEB 2022**. POST it to the address on the form (ENSURE sufficient Postage !) or apply on the WEBSITE: <https://mirfieldshow.com> ---> MENU -----> STAND-BOOKINGS

N. B. – Since stalls are allocated based partly on their ENTERTAINMENT VALUE to the families that visit the show, ALL applicants MUST state on the application how their stall will meet this requirement. Please describe what you intend to provide in a minimum of 15 words. We will use this information in assessing your application. We favour stalls that provide original content and draw interest. We will once again be conducting an evaluation of all Stalls on the day at the Show and these details that you provide will be taken into account. To improve your chances of being selected you might like to offer an attraction such as: an entertainer, coconut shy, water-sponge throwing, bash-a-rat etc. NB – We **do not allow Tombolas**. N.B ALL STALLS AND ATTRACTIONS MUST REMOVE RUBBISH FROM THEIR AREAS BEFORE LEAVING THE SHOWGROUND, SKIPS ARE PROVIDED. SEE TERMS AND CONDITIONS. Not doing so will invoke penalties in the future ! . Due to COVID 19: all stallholders must ensure that they have **some form** of barrier between them and any adjoining stalls – e.g. this could be a three-sided gazebo or windbreaker.

**FULL STALLS** – are 5m by 5m, located in the main showground. (We rarely offer double stalls). The stall type is large enough for a vehicle to be parked behind a 3m deep gazebo. You must stay within the allocated stall area. We do **NOT** provide tables, chairs, electricity, water or gazebos. Price = £75, or £50 if WF14 postcode or a Charity.

**PREMIUM FULL STALLS** (only 10 available) are 5m by 5m, located in the main showground. These stalls are open on THREE SIDES instead of just one, having the advantage of additional trading area. They have a prime location on the field and will be back to back with one other Premium Stall therefore there is space to park your vehicle behind your gazebo. You must stay within the allocated stall area. We WILL provide a 3x3m gazebo (with NO sides) for FREE if you ask PRICE= £130

**HALF-STALLS** – are 3m x 3m, located in the main showground . After unloading at your stall, your vehicle must be removed from the field and can be parked in our separate (free) car park. N.B. – Promotion and/or Charity stalls can ONLY be allotted Half-Stalls unless the Committee approves otherwise. You must stay within the allocated stall area. Price = £60, or £40 if WF14 postcode or if a Charity.

**NO-VEHICLE STALLS** – Up to 5mx 5m, located in the Crowlees school grounds (WF14 9PD). We have a limited number of spaces that have no vehicular access, yet can be used by human-portable stalls, such as carts and candy floss cycles, or where the stall-holder wishes to manually transport items (e.g. gazebo) to the stall. You must stay within the allocated stall area. Price = £60, or £40 if WF14 postcode or a Charity.

**WALK ABOUT** – you will not be given a stall, but you are allotted a small space to store your advertising/sample materials and then you wander around the show on foot –. You should wear some type of FANCY DRESS since this attracts customers ! Price = £30

You can apply for up to Four ALTERNATIVE stalls. For example, you would like a Premium stall, but if unsuccessful you would accept a full Field stall, and if still unsuccessful you would accept a Half-Stall, and if even that was unsuccessful you would make do with a No-vehicle stall . In that case number in order of preference ALL FOUR OF Premium Stall and Field stall and half-stall and No-Vehicle stall on the form. We will award you the largest we can.

N.B. -The **CRAFT TENT** will again be run by our partner "MADE IN YORKSHIRE" . You must apply directly to them for Craft space in the marquee (includes a table) - NOT to me. More info and a link to their Application forms can be found on their website: [www.madeinyorkshire.org.uk](http://www.madeinyorkshire.org.uk)
